## Swiftburn Sauvignon Blanc 2017

### **winemakers comments:**

Our Central Otago grown Sauvignon Blanc is made to display classic Sauvignon herbaceousness, a touch of tropical fruit and a textural structure we only see in Central Otago Sauvignon Blanc. It is something a little different. The wine is full and textural in the mouth and has long lasting flavour. Handpicked and whole bunch pressed this is a small batch wine. Wild yeast fermentation, extended lees contact and a small portion fermented in barrel gives the wine the texture and length we are looking for.

### **wine description:**

Fresh and lively aromas of cut lemon, gooseberry, crushed herbs and a hint of passionfruit draw you into the wine. The wine displays good fruit weight, tension and drive. Delivering a fruity and lasting finish.
