CENTRAL OTAGO

Closeburn Chardonnay 2021

winemaker's comments:

Closeburn is our non-oaked Chardonnay. The fruit is grown throughout the Central Otago region and exhibits the regions natural elegant fruit flavours and mineral complexity. The wine is fermented in tank to retain its bright fruit. It is then left to rest on its yeast lees to gain some doughy complexity and softness. This is a refreshing full-bodied wine, unencumbered by oak and superb with food.

wine description:

Juicy nectarine and pear fruits, with apple blossom floral tones giving a nice lift to the attractive bouquet. The palate displays wonderful purity of tree fruit flavour. There is a nice flow to the structure and length, with good balance and chewy acidity.
